* Based on federal and/or state exchange requirements and subject to change. Wellpoint is a Qualified Health Plan issuer that in certain geographic areas offers some health plans with a \$0 premium option (after subsidy applied) through Washington Healthplanfinder. Wellpoint health plans with a \$0 premium option are not available in all areas and eligibility for these plans is based on federal annual income guidelines. Call us for information because not everyone will qualify.

1 Subsidies are only available for Qualified Health Plans purchased through Washington Healthplanfinder. Wellpoint offers such plans through Washington Healthplanfinder.

2 Nationally recommended preventive care services received in-network have no copay and no deductible requirement.

3 Rewards earned should be redeemed before the end of the current plan year. Unused rewards are forfeited 6 months after the end of your plan year, make sure to redeem them before then. Rewards eligibility applies only to subscribers and enrolled spouse/domestic partner. Members must be active on the plan and activity must take place during plan year. The reward amount you receive may be considered income to you and subject to state and federal taxes in the tax year it is paid. You should consult a tax expert with any questions regarding tax obligations. Subscriber/enrolled spouse/domestic partner may earn rewards when eligible activities are completed and, in some instances, they may be verified by a Wellpoint claim. Rewards are chosen from a list of select retailers.

4 SpecialOffers discounts are subject to change without notice.
